Identity Recovery Coverage

Identity Recovery Coverage can help you take back what's yours.

In the time it takes to have your morning cup of coffee, a thief can steal your identity. Then it's up to you to restore your good name.

Erie Insurance can help. For a minimal annual premium, you can add Identity Recovery Coverage to reimburse certain expenses, plus an experienced case manager will assist you with restoring your identity until the process is complete.

Coverage includes:

- Case management service to recover control over your identity. This help may include contacting authorities, credit bureaus, creditors and businesses
- Up to \$25,000 Expense Reimbursement Coverage
- Coverage for identity theft expenses:
 - Actual lost wages coverage of up to \$250 per day and \$5,000 total. This may include payment for vacation days, floating holidays, paid personal days and costs for supervision of dependents during time spent to restore your identity.
 - Costs for notarizing affidavits or other similar documents, long-distance telephone calls and postage
 - Costs for up to 12 credit reports from established credit bureaus
 - Fees and expenses for an appointed attorney to defend you in any civil suit brought against you by a creditor for non-payment of goods or services or default on a loan and the removal of any civil judgment wrongfully entered against you
 - Costs for re-filing applications for loans, grants or other credit instruments
