The ERIE Is Above All In Service.®

For all your insurance needs

Erie Insurance Group offers a broad range of services to meet family insurance needs, including auto and boat insurance and a variety of home and tenant insurance policies. The ERIE also offers a variety of business insurance products to meet the needs of both small and large businesses. Erie Family Life Insurance Company offers a complete line of products to meet individual and business life insurance needs.

This brochure is not an insurance policy. The policy contains the specific details of the coverages, conditions, and exclusions. All coverages are not available in all states. Your ERIE Agent can offer you professional advice and answer any questions you may have before you buy.

Equal professional service

ERIE embraces the principle of "equal professional service," which means that every applicant, Policyholder and claimant receives the high caliber service that is our hallmark. The ERIE does not tolerate unlawful discrimination, and we expect our Agents to adhere strictly to that nondiscriminatory philosophy as well. The ERIE assesses each risk on its own merits and relies on objective underwriting criteria designed to evaluate the nature and extent of each risk.
